## Enrichment Clusters Spring 2012

Cluster Activity	Teacher	Room
<b><u>Installation Transformation</u></b> Art doesn't always have to be 2-dimensional. Let's explore the 3 <sup>rd</sup> dimension using found materials and transforming spaces around our school and schoolyard. If you are creative, then you should join us as we make our mark and create some art and make our school the most beautiful in the Bronx!	<b>Labbate</b>	<b>128</b>
		
<b><u>Game On</u></b> What's easier—studying your Math facts, Spelling words and Science vocabulary...or...playing games to help you practice your Math, Science and Words? If you answered, “playing games,” you're right! Playing a game is a great way to help anyone learn information. At PS 304 the Second Graders are looking fun, new ways to learn. Game On will create original fun games to help the second grade classes succeed! Join Game On and you'll be # UNO!	<b>McGrath</b>	<b>214</b>
		
<b><u>Superheroes and Greek Gods and Goddesses</u></b> Have you ever thought about how alike Greek gods and goddesses are to our great superheroes of today? Does Hercules remind you of Superman? Did you know that Wonder Woman was based on the Greek stories of fierce Amazon women warriors? These superheroes use their incredible powers to help people on Earth, even though they are from another world. Step back in time as we explore the wonderful world of Greek mythology.	<b>Bernard/Illas</b>	<b>218</b>
		
<b><u>Jump In!</u></b> Do you love to be active and “jump around?” Are you interested in getting fit through a doubly fun activity? When you jump into this cluster you will discover a new sport and skills that keep you turning and off your feet.	<b>Geni/Micela</b>	<b>Gym</b>
		
<b><u>Quilting Challenge “The Silver Thread”</u></b> Would you like to be part of a creative project to design and stitch an original GIANT quilt to hang up in PS 304 for years and years to come? Our patchwork will be stitched with love and quilted with compassion.	<b>Hammond/Lent</b>	<b>236</b>
		
<b><u>The 2012 Olympic Games at PS 304</u></b> Did you know that the 2012 Olympics are happening this summer in London? Are you curious how the Olympics got started and where the idea came from? Do you know how many countries participate? What's the deal with those medals? Would you like to participate in recreating some events from both the past and present? Track and field, discus, volleyball, basketball, table tennis, soccer and lots more! If you have what it takes to represent America in the Olympics, then this is the cluster for you! Join the 2012 Olympic Team at PS 304 and let the games begin!	<b>Fouchecourt/Steinberger</b>	<b>B19</b>
		

<p><b><u>Dumbledore's Army</u></b>          If you are a muggle that is crazy about Harry Potter, then Dumbledore's Army is the cluster for you. In this cluster, we will explore all things Potter! You will learn the language, places and creatures that exist in Harry's wizarding world. You will not only learn the history of Hogwarts but also take part in Hogwarts' classes that include Potions, Spells, Herbology and Defense against the Dark Arts. In Dumbledore's Army we will discuss the Harry Potter books, movies and characters. Maybe we will even play some Quidditch.</p>	McGuire/Gonzalez	219
<p><b><u>From Trash to Treasure</u></b>          Do you enjoy arts and crafts? Have you ever recycled something that was trash and turned it into something beautiful? If so, "From Trash to Treasure" is the cluster for you! Explore recycled materials and how to use them in your own art projects. Research famous artists and how they used trash to make something for others to admire. Who knows, maybe we can even create our own art gallery to display our work. Remember, one person's trash is another person's treasure!</p>	Bello/Pagliarulo	217
<p><b><u>Bully Busters</u></b>          Imagine a school where no one was bullied? Let's make that dream a reality! Bully Busters will help teach students at PS 304 all about bullying. We can put an end to ALL bullying at PS 304. In the Bully Buster cluster we'll create anti-bullying posters for the school and act out skits to teach students how to STOP BULLYING! If you're tired of being bullied or seeing others being bullied, join Bully Busters and let's make a difference.</p>	D'Agostino	221
<p><b><u>Safer Streets=Safer Schools</u></b>          Have you always wanted to know how the city's traffic flows? When do cars roll...When do people stroll? How does everyone stay safe...and everything/one know its place? Then join this cluster where we explore NYC's DOT safety signs. We will get to design and create our own traffic safety sign. This Safety Sign our Cluster designs will actually be placed up in our neighborhood. We will even take a <i>trip</i> to NYC's sign shop. So if you want to show all your family, friends, and neighbors that you can make your neighborhood safer, join us!!</p>	Miles/Baez	207
<p><b><u>Match Point</u></b>          Tennis, anyone? Do you have a great backhand? Do you picture yourself being the next Andre Agassi, or Serena Williams? Then look no further because Match Point is the right fit for you. You will learn how to play tennis, become physically fit and have fun at the same time. So volley over to Match Point and get served!</p>	Johnson	Yard/203
<p><b><u>Extra, Extra, Read All About It</u></b>          Here is your chance to be a reporter, sportswriter, editorialist, cartoonist and columnist, yes, even a poet. Explore the different components of a newspaper/magazine and become part of a world-class journalistic enterprise. You will report all the important events at PS 304, in our community, and the world. Join us and help create and publish the second edition of our school newspaper, "The Core Standard."</p>	DeGennaros'	B19

## Grades 3-5

## Fall 2015 Enrichment Clusters

## Every Friday Afternoon

### **Compassion Crew .....Ms. Labbate.....Room B21**

Do you have sympathy for others? Have you ever thought that you would like to make a difference in the world? Would you like to help those in need in your community and beyond? Then this cluster is your top pick! We will begin by creating ideas for projects and activities that will have a positive impact on the lives of others. Then we will *go into every classroom* to spread the word and motivate others to help us carry out our plans. Join the **Compassion Crew** and find out how doing good things for others can make you feel good about yourself!

### **Sing Your Heart Out .....Ms. Calzolaio & Ms. Hammond .....Room 219**

Do you love music? All kinds of music? We mean Rock and Roll, Dance, Rhythm and Blues? Do you often have a song in your head you want to sing out loud? Become part of a music loving group where you will discover and sing all types of amazing (and maybe even some long forgotten) songs written by awesome musicians of the past. Join **Sing Your Heart Out!** \*Only real music lovers need apply\*

### **Down and Dirty .....Ms. Miles.....Room B19**

Are you amazed by the delicious vegetables grown from our school garden? Did you know that a garden needs care right now to prepare it for Spring planting? Join our ranks and do projects that will keep our garden going, growing and ready to yield our hugest crop ever! We will use rain barrels to collect water. Next we will build an irrigation system to keep our plants well-watered even in the driest weather. We will even do some indoor projects and use our creative talents to paint markers that will label the trees and plant life. All you need to bring is your ideas, ingenuity and imagination. Dig it? Join **Down and Dirty!**

### **Poetry Slam.....Mr. Fouchecourt .....Room 236**

Do you like rhyming words? Are you looking for a way to express your feelings? Do you think it would be cool to write down your innermost feelings and then share them with your families and friends? Did you know that RAP is really POETRY in disguise? Would you like to create your very own RAPS? If you answered yes to any of these questions, then **Poetry Slam** is the cluster for you. Learn about the many different forms of poetry. You will write and publish your very own poetry book to share with friends, family and classmates. Don't delay, join today! You could be a poet and you don't even know it!

### **Jump In .....Ms. Geni & Ms. Settanni .....Room 207**

Do you love to be active and be challenged in movement skills? Join in as we go on a rope skill adventure. Learn individual skills and games to play with a group. What tricks will you succeed at? Discover a great way to stay in shape and have a great time! **Jump In!**

### **Chess Kids.....Mr. Fleming.....Room 221**

Calling all Chess Masters!!! Experienced players, intermediate and amateur alike! Are you ready to develop your critical thinking skills? Do you want to become an analytic thinker? If you internally said yes to either of the previous questions, this is the cluster for you! **Chess Kids** will hone your ability to problem-solve, teach you how to strategically think, and how to be an empathetic winner. This cluster will teach you the rules and tips of this 1500 year-old game because we want to help you get better (even if you are already fantabulous). #CHESSKIDS

**The Greatest Show on Earth! .....Mr. Mascolo.....Room B42**

Do you have a hidden talent? Would you like to learn how to do things that would shock a crowd? Would you like to clown around in school, and NOT get in trouble? Then this cluster is for you! Come join *The Greatest Show on Earth!*

**Buon Appetito.....Ms. Berruti & Ms. Sgarlata .....Room 128**

Do you love food? Have you ever wondered about other cultures and their traditions? Enjoying a meal with friends or family is the main ingredient of any Italian dish. So come join us to experience your own little tour of Italy! Not only will you enjoy traditional Italian meals and desserts, but you will also learn some Italian words and create some crafts. So, get your apron on and get ready to mangia! (“eat” in Italian). Bring your *Buon Appetito* (“good appetite”)!

**Fabulously Funny Folktales.....Ms. Bernard.....Room 222**

Do you like to act out funny stories with your friends? Well then, this is the perfect cluster for you! Join us as we have lots of laughs performing *Fabulously Funny Folktales* such as: Aladdin and the Magic Pickle Jar, Three Billy Goats Gruff, Jack and the Giant Sunflower, Queen Midas, Stone Slop, and many more! We’ll make our own costumes and scenery and perform for our school community. Who knows? Maybe you could wind up being the next superstar on Broadway!

**Amazing Artists.....Ms. Bello.....Room 217**

Are you inspired by the works of Van Gogh and Monet? Do you love to create art and share it with others? If so, *Amazing Artists* is the cluster for you. We will study famous artists of your choice, create our own paintings, collages, and sketches inspired by them, and maybe even host our own art gallery, where we can display our work. No experience necessary, every child is an artist!

**School of Wizardry .....Ms. Illas & Ms. Marshall.....Room 218**

Calling all students! Hogwarts *School of Wizardry* has limited openings for children who are ready to go on a magical adventure. Together we will watch your favorite scenes from the Harry Potter films and read aloud our favorite sections from the books. Imagination is required in order to make fantasy become a reality. So put on your wizard hats and get ready to jump into our goblet of fire!

**Outstanding Origami.....Mr. Fraser.....Room 205**

Do you enjoy creating objects with your hands? Do you think you would enjoy art projects that will also make you think about math and science? In our *Outstanding Origami* cluster, you will discover the Ancient Chinese art of paper folding. You will have the chance to build animals, flowers, geometric shapes and other objects using decorative paper. You will also develop your paper folding skills so you can create an endless variety of origami models on your own! We welcome people of all skills levels so come join us on our journey through the Ancient Chinese art of Origami!

**Tapping Time .....Ms. Pfeiffer .....Room 214 & B44**

Would you like to learn to make music with your feet? How about tapping your toes to a fun beat? Then, *Tapping Time* is the place to be! You’ll learn new tap steps and dances from me! No experience is needed, all students are welcome. You’ll learn how to shuffle, flap, slap and then some. I am looking forward to teaching and dancing with you all. It’s going to be great, we’re going to have a ball. At the end of 12 weeks, we will put on a show. You will impress the whole school with all that you know!

**Off to Broadway.....Ms. Johnson & Ms. Steinberger .....Room 203**

Can you see it? Do you hear it? The cheers, the applause, the flowers! Bravo!!! Bravo!!! Encore!!! Encore!!!! Become part of an exhilarating cast that will embody characters through singing, dancing and acting! Come aboard our magic carpet for this phenomenal ride and head *Off to Broadway!*

## Clusters Fall 2016

### YOUNG YOGI'S Ms. Settanni- Room 205

Do you want to strengthen your body and mind? Do you like to stretch your muscles and exercise? Then yoga is for you! We will be learning about yoga, how to practice it, and how to create our own poses. We will not only stretch and build muscle, but also work on improving our focus and self-control. We will end our hectic school week with a calming workout. If you enjoy feeling relaxed, happy and healthy- join YOUNG YOGI's.

### SONGS WITH FRIENDS Ms. Johnson- Auditorium

Do you love to sing? Do your friends love to sing? Have you ever wanted to be part of something big? Well this is a chance for you to make amazing music together in a big way! ***Be a part of an amazing trend happening in schools all over New York City.*** Each week you will practice the vocal technique and teamwork necessary to become a "chorister." You will learn how to read music and improve your singing under the guidance of a professional music conductor. Then you and your friends will showcase your sound at a performance right here at school. After that, you will take your show on the road with a trip into Manhattan. There you will join with other school kids, just like you, from all over the city, and make even more amazing sounds together. So raise your voices together and put a little harmony in your life. Goosebumps guaranteed for every member of your audience!

### THE ART STUDIO Ms. Bello & Ms. Hammond- Room 214

Do you love to draw, sketch and paint? Are you a creative person who loves to express themselves through art? If so, The Art Studio is the place to be! We will study famous artists and their work, and create some amazing pieces of our own! Who knows? Maybe we'll even set up our own art gallery! No experience necessary, every child is an artist!

### LET'S GET CRAFTY! Ms. Berruti & Ms. Calzolaio- Room 219

Do you love to make your own unique creations? Would you prefer to have a one of a kind object, or just something everyone else would buy from a store? We will use unusual materials to design everyday items with a twist that you can use for yourself or give as a gift! This is your chance to take your artistic skill and put it to good use! Join us and "Let's Get Crafty!"

### BASEBALL BRAINIACS Ms. Bernard & Mr. Fraser- Room 128

Are you a baseball fanatic? Can you name the most dynamic players in the game? Do you know who has the record for most home runs, grand slams and stolen bases? Do you like baseball trivia? If you love America's Favorite Pastime...join us as we take a journey into the exciting world of Major League Baseball. We will watch video clips, learn what those stats ***really*** mean, and collect fascinating facts about players, teams, and stadiums. And ...the best part is...if we don't get rained out, we can even go outside and play some whiffle ball! If you love baseball...join our team!

### **KICK IT! Ms. Steinberger- Courtyard**

Have you ever wanted to score the winning goal or play in the World Cup? Can you use your feet to juggle a ball or kick towards the net? If you answered “yes” to these questions, then “Kick-It” is the cluster for you! Come explore the world of soccer and show off your skills!

### **THE WONDERFUL WORLD OF DISNEY! Ms. Geni & Ms. Labbate- Rm B21**

Do you love all things Disney? Then join us as we learn about the life of Walt Disney and how he created his Disney Empire—from animation to the most visited vacation spot in the world—Walt Disney World. Join and watch parts from your favorite Disney movies. We’ll even learn how to draw some famous Disney characters. Come find out how the “Happiest Place on Earth” all started with a mouse.

### **GAME INVENTORS Mr. DiMaggio & Mr. Mascolo- Room B42**

Is playing outdoors something you love to do? Are you looking for new games to share with your friends? Then “Game Inventors” is the cluster for you! Challenge yourself to come up with new street and field games you can play with your friends. Not only will you invent the game... you make the rules! After you do, then challenge yourself to see if you can win at your own game! This cluster will push you to exercise your mind, imagination and body at the same time. Maybe the game you invented will even become a classic like Tag, Stickball, Dodge Ball or Kick the Can! Come to Game Inventors, and find out!

### **GO THE EXTRA MILE Ms. Micela- Room 217**

Have you ever walked a mile? Ran a whole mile? How far is a mile, anyway? Let’s develop your fitness ability, discover the muscles needed to do this and push ourselves to run the distance. We will measure how far we can go and graph our progress. Math and physical activity— it’s an awesome combination! And finally, running is allowed in the hallways!

### **FITNESS GURUS Mr. Fleming- Room 221**

Do you enjoy having fun and being active? Do you like running, aerobics and other forms of exercise so that you can remain fit and healthy? In Fitness Gurus, you will not only become healthier with exercise, you will learn how to make better choices with the foods you eat. So, grab your sneakers and water bottle, and let’s get sweaty!!!

### **S . A . F . E . TEAM (Safety Advancement for Everyone) Mr. Fouchecourt- Room 222**

What is that teacher’s name? Who is that person helping the teacher? What is the name of that person working in the office? Is that a volunteer...or a student teacher? If you have ever asked yourself these questions, then this is the cluster for you! Let’s help keep our school safe! Students will create identification badges with pictures for faculty and staff, offer tips for fellow students to use, and help create a safe environment for the entire school. Do you have what it takes to help keep the school safe? If you do, sign up today, and join the S.A.F.E. Team! With the pictures you take, you can make a difference!

### **GROWING OUR GARDEN Ms. Miles- Room B19**

Our garden club will meet and create a calendar of tasks for all our gardeners to complete such as: Fall harvesting and planting in the raised beds; Winterizing our raised beds, fruit trees, and forest trees; Indoor window sill herb gardening; Maintenance of Living Lab logs for our garden and classroom pets (tortoise/fish/worms); Painting beds and making plant markers. Maybe we’ll even order some ladybugs for our garden!
