

# Reading Strategies

## Monitoring Comprehension

How well do you understand what you have just read?

## Questioning

What do you ask yourself as you read?

## Making Connections

How does the story relate to your life, another book, or the world?

## Determining Importance

What details are most important in understanding the total text?

## Visualizing

What images come to mind as you are reading?

## Making Inferences

What conclusions can you draw from what you have read?

## Synthesizing

What is the most important idea or message that the text is conveying?
